Subject: Action to be taken as per feedback analysis 2023-24

Dear Sir,

With reference to the subject mentioned above, it is hereby informed that, based on the feedback analysis for the academic year 2023-24, stakeholders have provided the following suggestions concerning the Training & Placement Department:

- Industrial exposure should be incorporated into the curriculum.
- Kindly arrange more campus drive opportunities.
- Industrial training should be provided to students starting from their second year, so their learning objectives become clearer.

In light of these suggestions, it is requested that appropriate actions be taken to arrange industry visits/training for students and to organize more campus drives in the coming academic years. At the end of academic year report should be submitted to IQAC Department.

Thank you.

Subject: Suggestions as per feedback on syllabus from stakeholders.

Dear Sir,

With reference to the subject mentioned above, we have taken feedback on syllabus from stakeholders. As the analysis of feedback stakeholders have given some suggestion about syllabus as per following.

- More specific points should be mentioned to elaborate the chapters. (Subject: Novel Drug Delivery System, Final Year B. Pharmacy)
- Revision of Syllabus required to meet current industry requirements.
- Syllabus revision is required.
- It is required to include some topics of mass spectrometry and NMR spectroscopy
- Faculty and students are not able to understand about the topic content.
Only topic name is mentioned in syllabus. (Subject: Pharmaceutical Inorganic Chemistry, F.Y. PharmD)
- Only the experiment name is given in the syllabus. Name of the methods and evaluation of the compounds is not clearly mentioned. (Subject: Medicinal Chemistry-III Practical, Third Year B. Pharmacy)

Considering these suggestions, it is requested to take appropriate action.

Thank you.
