VISION

Serving society ethically through creating competent pharmacrat.

MISSION

To impart indispensable technical know-how to the students to make them competent professionals that can contribute for the upliftment of pharmacy profession and to improve public health. The stakeholders of the institute are involved in formulation of action plan of the institute for attaining the mission of the institute. The action plan is reviewed for outcome through meeting with various committee and to make changes if required. The requirement of action plan is collected by the principal through interaction with various stakeholders. This is how the Vision and Mission is dispersed among Stake holders.
